A team roster is due prior to the first game. It may be changed until the end of the third game at which point the roster is frozen. Teams that play with a non-registered player risk forfeiture of that match, but ONLY if the opponent protests the game at the time it is playing. We do not check rosters prior to each match. If a roster check is requested and the team in question has not submitted one, an automatic forfeit will be given. Each roster form has a disclaimer. This must be provided to all team members by the team contact. The team contact is responsible for and must collect the entire team fee.
